

# Conducting Sexual Harassment and Violence Investigations

Workplace Investigation Training for HR Professionals

June 6 & 7, 2017 in Halifax

Sexual harassment and violence investigations present unique challenges to internal investigators.

Join us for a practical, hands-on training session where we will explore challenging issues such as:

- How to make credibility assessments;
- How to deal with difficult subject matter;
- Dealing with vulnerable parties; and
  - The role of bystanders.

An examination of the legal framework in which sexual harassment investigations take place, as well as the psycho-social dynamics of sexual harassment and violence, will be included in this session.
