

Effective Recruitment & On-Boarding Strategies

April 14, 2011 | 1:00pm - 2:30pm AST

[CCH Webinar: Recruitment and On-boarding Strategies](#)

In order to succeed, an organization must be flexible and agile to effectively compete in a rapid evolving global economy. While the effective use of knowledge management can provide a critical edge over the competition, it is the right employee whether front-line or senior manager that can spell the difference between winning or losing market share. How does the HR manager recruit strategically, in a just in time fashion, to place the right talent to the right part of the organization in an effort to meet key organizational objectives?
