#### **Summary:**

HR professionals are striving to become strategic partners; a key success factor is the ability to measure results. Join us as Kathline Holmes CHRP, walks you through best practice tools and techniques that are used to measure HR results. Guidance around HR Metrics, benchmarking and how to present these results successfully, in order to build buy in from the executive team, will also be covered.

#### **Key Learning Objectives:**

- Understand why you should care about HR Metrics
- Look at common mistakes around developing and implementing Metrics
- Recognize the different types of metrics
- Tips on selecting metrics
- Get the tools you need to create your own dashboard
- Effective ways to communicate your results

#### **This webinar will include:**

- Two (2) CHRP Recertification Points
- 30 days to review the recording of this webinar

- PowerPoint presentation with slides
- Complete Question and Answer (Q&A) document
- Supporting paper created by Kathline Holmes
- HR Answers Now - Employee Relations, Employee Development and Staffing Module
